

FANTOM OVERDRIVE

THE MOST ADVANCED 3D RACER ON YOUR MOBILE!

Race on four tracks against Fantom drivers.

Exchange your saved Fantoms with friends and challenge them with your best times. Compete live against your friends over Bluetooth in this fast and challenging racing game. Fantom Overdrive uses the 'N-GINE-3D' technology for fluent and rocksolid 3D polygon graphics, and has accurate car physics, allowing you to slip, collide and drift your way to the top. Download NEW tracks directly to your phone...**NOW!**
