FRUIT MACHINE

A CASINO CLASSIC TO FUEL YOUR ADDICTION

Get your head in a spin and feel the rush as you gamble your way to the top!

Take this brand new mobile phone title with you wherever you go. A great simulation that incorporates a host of authentic features which boast realism and familiarity. Start off with just 2 Euros and gamble your way up through the 'luck' of the reels. Take your chances with the mini-game to increase your winnings or 'bank' away funds for a top high score.

The ability to 'call it quits' adds to the authenticity of this title, as does the animated visual prompts which compliment the game. If you love Slot Machines and enjoy the rush of the reels then this is a must for you. Get it here now and increase your odds of winning by 100%!
