

DEAL OR NO DEAL

WIN BIG WITH DEAL OR NO DEAL!

Deal or no Deal is the most flexible TV game show ever invented.

You, the player, face 26 cash boxes, containing cheques varying from a measly amount to millions. Without knowing the content in each box, you pick one to keep. The box stays sealed, as do the 25 remaining ones. Are you holding the suitcase that holds millions or just pocket change....nobody knows! Deal or No Deal for the mobile is localised for every country in which it is sold, so the branding and language are correct for you, wherever you are.
