

Big Brother

THE GAMES

LET THERE BE...REALITY TV

You can't take it any longer. There must be a way out of the Big Brother house. Will you succeed?

As if life isn't hard enough, what with being under the watchful eye of the TV loving public, now things in the house are getting worse. It's time to take your mind off things and take up some new physical challenges. Feeling energetic? You'll have to be to get through this. It's like Household Olympics with added chickens. Take all the tasks in your stride, build up your strength and you may eventually get good enough to escape to freedom. Break a leg!
