

# Big Brother

## directors cut

### Solve 15 unique puzzles to win the title: "Big Brother Director"

You are the assistant of the Big Brother Director. Your task is to capture all Big Brother characters on camera. You can turn the camera by pressing fire while standing beside it. Besides turning the camera you can use mirrors. You can move the mirrors around by pushing them. The mirrors can be turned by pressing fire while standing beside them. Hold the fire button down for at least one second to activate the camera. Capture all the characters on camera and you will proceed to the next level!
