CHALLENGE

CAN YOU TAME YOUR FEAR?

### Can you control your fear for long enough to swim through a submerged obstacle course?

Survive over 10 levels of underwater action. Avoid energy zapping marine life, oxygen reducing spikes and collapsing platforms. Get through the rotating barriers and locate all four treasures on each level. Grab a few more gasps of breath from the large air bubbles to prevent drowning. Clinch the levels' 'Fastest time' and gain extra points by collecting stars as you go. To prove you're the best, upload your high scores to the Fear Factor server.
